

# St. Augustine School Scrip Program

## What is Scrip?

Scrip is a term that means "substitute money." The Scrip Program enables St. Augustine School families and friends to purchase pre-paid gifts cards to local retailers for everyday expenses like food, clothing, gas and entertainment. A percentage of every dollar spent is paid back to the school—it's fundraising without selling.

## How does Scrip work?

The retailers that participate in Scrip want to support non-profit organizations like ours and in return ask you to support them by shopping at their stores.

All you have to do is purchase gift cards through St. Augustine School, and the school receives a percentage of the sale. The gift cards you receive are the same as those you'd purchase directly from the store. Meaning, you can give them as gifts or use them yourself—or both! Simply place your order using the Scrip order form (linked to our website) OR order online (see instructions below). Within a couple weeks, your cards will be sent home via backpack mail or can be picked up at the school office.

Gift cards and certificates ordered through St. Augustine School are ordered from a company called GLScrip. GLScrip donates a percent of each sale to our school (see order form for percentages).

## To Order Online:

1. Go to [www.ShopWithScrip.com](http://www.ShopWithScrip.com), click on "Family Sign-Up"
2. Use Enrollment Code: **CL322EB41284L**
3. Print your Order Confirmation and send a copy of it in to the office with a check payable to "St. Augustine School Guild" in an envelope marked "**Scrip Payment**" by the order due date—and THAT'S IT!
4. The school's Scrip Coordinator will confirm your order online and you will receive your gift cards on the designated delivery date.

Scrip order forms with order dates are emailed to school families monthly—and are also available in the school office. During the holiday season, we will offer more frequent ordering for your shopping convenience.
