

The Mission of St. Augustine School is to celebrate our strong Catholic identity, to promote academic excellence, and to foster respect and justice for all individuals. We strive to create an environment that prepares our students to draw upon their faith in order to conduct their lives with integrity and wisdom.

From the Desk of Mrs. Kendall

Dear Parents and Guardians,

Well, another exciting school year has begun at St. Augustine School! It was great to be greeted with smiles and enthusiastic hellos from our returning students and our many new school families.

Teachers and staff worked many hours throughout the summer to get classrooms ready and plan activities to challenge and enlighten our students. I am always amazed at the dedication and enthusiasm of our faculty. They understand the importance of developing basic skills while continuously revising and adapting lessons to meet the needs of our students blessed with different gifts, talents, and learning styles. They are ready and excited to make this year a great learning experience for each and every child.

We also worked hard to brighten and improve the school facility. Wait until you see our new science lab. We are so proud of the results. This is a true dream come true. Thanks to so many generous families who shared their time, talent and money to help us realize our dream for the lab.

St. Augustine School is a very special place and I, for one, feel honored and blessed to be a part of it! Looking forward to a super year!

Sincerely,

Mrs. Ann L. Kendall, Principal

A note from Sr. Kathleen and Sr. Paul

The Sisters of Notre Dame are having a walk on Sept. 27th around Castle Island in South Boston to benefit our Congregational Jubilee fund. This fund supports the formation, education and ministries of our Sisters in the Southern Hemisphere (Peru, Brazil, Kenya, Congo, Nigeria, Zimbabwe and South Africa)

We would be very grateful to anyone who feels they can sponsor us in this endeavor.
