

Uniforms:

Students are required to wear the school uniform. The intent of this policy is to help create a respectful atmosphere that is non-competitive. Students are neatly dressed and present a positive self-image. The uniform policy will be strictly enforced. Students, whether in uniform or not, should always represent the school’s mission. The following procedure will be used to address dress code violations, depending on the grade level.

1. Students will receive a verbal reminder when there is a dress code violation.
2. An update slip will accompany the second warning.
3. On the third violation a detention/missed recess will be assigned to the student.

Uniform Dress Code

The following charts detail the uniform policies as they apply during the school calendar year. All regular school uniforms must be purchased at JB Pride Uniforms.
